Welcome to D's Gallery

To see life, to see the world, to eyewitness great events; to watch the faces of the poor and the gestures of the proud; to see strange things- machines, armies, multitudes, shadows in the jungle and on the moon, to see man's work- his paintings, towers, and discoveries, to see things thousands of miles away, things hidden behind walls and within rooms, things

Photographs are the only way to make sure you don't forget and help to remind you and help your memories. They are the only way to get back to the moment, to see the photograph, to gather the memory, to see the picture.

The importance of editing is the foundation when producing posters, videos and films. Whether you're making a music video, a marketing campaign video, a corporate video, or any other type of videos or poster canvas.

চেতনা বিষয়ক প্রসঙ্গে ধর্ম ও সাহিত্যের প্রভাব মানুষ ও মানসিকতার উপর অনস্বীকার্য।
প্রশ্নটি হলো ধর্ম চেতনা ও সাহিত্য চেতনার মধ্যে কোনটি আগে মানুষের মধ্যে বা মানব সভ্যতায় প্রাধান্য পেয়েছে?

What is knowledge representation?

[Soubhik Das \(eS D\) | LinkedIn | /in/soubhik-das](#)

A black and white photograph of a full moon partially obscured by clouds, framed by flowering branches. The moon is bright and circular, with some clouds drifting across its face. The branches, likely cherry blossoms, are in the foreground, framing the moon on the left and right sides. The overall mood is serene and romantic.

Thank you for watching.
